"A small SPARK lights a big fire"

ABOUT US

Preksha is an inspiration from the needs of the discerning buyers of modern home appliances. Acknowledging the fact that quality and service are the only two parameters for acceptance of a brand in the market, Preksha is the answer to market dynamics. At Preksha the key operational words are professional excellence and integrity. In essence the approach of designing and developing products is primarily consumer led and is backed by the unflinching support of continuous Research and development. Our products are an ideal combination of aesthetics and performance. Guaranteed for long and trouble-free usage, Preksha comes across as a household's delight. The company's vision is to continuously import new and exciting elements that add colour, fun, flavour and life to the kitchen are seem less laborious. We are distinctly recognized as an innovative manufacturer, exporters and suppliers of top quality products. With our comprehensive industry knowledge and understanding of market trends, we have an emerging trend in the designing and development of new designs.

From day one, our company has always worked towards maintaining a benchmarked standard in all our products that ensures customer satisfaction. We make sure to meet the expectations of our customers in:

- Product Quality
- Innovative product lines
- Delivery
- Cost effective prices and Ethical business practices
